YOUR CALL TO ACTION

Dear TBOF Supporter:

This week's **Call to Action** is in response and in support of the re-engaging the [Freedom Convoy](#).

The extreme measures of Trudeau in invoking the 'war measures act' (Emergency Act) forced the truckers to withdraw physically to protect the lives of supporters threatened by extreme actions of the gestapo style 'policing' tactics commissioned by Trudeau.

On the other hand, the freedom truckers have not and will not 'withdraw their demand' that **all Covid-19 (C-19) Mandates and related 'emergencies' be ended**. They are now 'reenergized' and 'reorganized' to take next necessary (lawful, constitutional, and peaceful) steps to 'Take Back Our Freedoms'.

Take the time and review the [Freedom Convoy Mission Statement](#). Read it, support it, distribute it.

Your **Call to Action** is to support the mission of the Freedom Convoy in a very practical and important way by contacting (calls and emails) your MP and YOUR Senators (or your Province) to demand that all the Federal Mandates end.

Since the Freedom Convoy, most Provinces have already announced dates and times for ending the Mandates. Some provinces (Alberta and Saskatchewan) are already 100% Mandate free. On the other hand, the Federal government (Trudeau) has not announced an end to any of the unlawful and unconstitutional Mandates.

Demand the END of all C-19 Federal Mandates to include the following:

- Mandatory vaccination requirement for air and rail travel within Canada impacting about 7 million Canadians; and
- Restrictions imposed about 7 million unvaccinated Canadians to not permit them to leave Canada; and
- Mandatory vaccination requirement, needlessly imposed upon cross-border truckers (Nov 30, 2021); and
- Mandatory vaccination requirements imposed upon 'core' federal employees including the RCMP and the Canadian military; and

- Mandatory vaccination requirement imposed upon those working in interprovincial air, rail, road and marine transportation, pipelines, banks, and postal and courier services.

If Living in Canada:

1. **Call and email your MP** at both their constituency and parliamentary offices.
You can obtain contact information by going to <https://www.ourcommons.ca/Members/en> and entering your postal code. Review the Truckers Mission Statement for 'talking points'
2. **Call and email the Senators** of your Province . You can find the names and contact info of the Senators of your Province by going to <https://sencanada.ca/en/senators/>

Non-Canadians can help by looking up their local Canadian embassy and/or consulate and calling them. Vigorously object to the behavior and actions of the Canadian Prime Minister. Thank you for using your voice (such as you did in protesting at Great Britain's Prime Minister office when Trudeau was visiting) to bring attention to the extreme abuses of Trudeau.

3. **BONUS (CITIZEN SUPER-STAR) ACTION:** Pressure the [National NDP Caucus](#). The NDP MPs should rightfully be most ashamed of their decision to support Trudeau's Emergency Act, to include extreme violence against peaceful protestors and seizure of bank accounts of single moms for merely sending a \$50 donation to the truckers. The PMs action was 100% unlawful and the bank seizures were pure evil. These were [actions of a totalitarian](#).

Trudeau is an international embarrassment causing huge reputational damage to our once proud and solid Canadian Banks. Consider taking the time to call and email as many of the NDP MPS as possible. [CONTACT INFO OF NDP MEMBERS](#)

Again... call and write your MP and Your Senators TODAY
using the new information in this memo!

GOOD TO KNOW BACKGROUND INFO: Freedom Convoy 2022 went to Ottawa to demand all COVID-19 Mandates and related 'Emergencies' be ENDED (both Provincial and Federal). They intended to remain in Ottawa until such time they achieved their righteous objective. [Ontario Superior Court](#) made ruling, reaffirmed on February 16 (2 days after the Trudeau Emergency Act was invoked) that the Freedom Convoy "persons remain at liberty to engage in a peaceful, lawful and safe protest" (Paragraph 8.)

No one could have predicted the extreme measures Prime Minister Trudeau would take against the peaceful truckers and their supporters, to unleash extreme police brutality (Montreal and Toronto riot squads) followed by [seizures of assets and bank accounts](#) that no free nation has ever endured against their own citizens... for the sin of disagreeing with the Prime Minister's policies.

The fallout on Trudeau's overreach is huge, with severe reputational and economic damage inflicted upon Canada. Here are several commentaries as to the damage Trudeau has inflicted upon Canada. He must be replaced by a person that has a basic respect for citizens and his own nation:
